Mrs. William J. Donovan

STAT

Dear Mrs. Donovan:

I find that we do have available a color photograph of the General's portrait which is the same size as the original canvas. We would very much like to give you this; it's just a question of how to make delivery.

If you are planning to have the picture framed by someone in the Washington area, we could easily deliver it there in your name. Or, if there is some other place where we could deliver it and you could pick it up at your convenience, we could do that. Please let me know and I'll make the necessary arrangements.

Best regards.

Sincerely,

LS
